

About

Belarus Digest provides non-partisan analysis of Belarus-related events written by Belarusians specifically for an English-language readership. It is a project of [Ostrogorski Centre](#), a think tank established by Western-educated Belarusians based in Belarus and the European Union.

Belarus Digest launched in 2008. Today our authors write on Belarus from Minsk, London, Berlin and Stockholm.

Belarus regime's conduct and poor reputation provides a fertile ground for all kinds of myths and speculations. Belarus Digest tries to de-mystify Belarus and write about what is actually going on in the country.

The project's contributors regularly appear as commentators on Belarus-related topics for leading international media such as BBC World TV, AlJazeera, Radio Liberty and others. If you wish to contribute to the project please use our contact [form](#).
